Skills

- Software Requirements & Documentation
- Object-Oriented Programming (OOP)
- ML Fundamentals
- WEB DEVELOPMENT

Language

- English
- Urdu

Academic & Technical Work

Maintained a strong academic record with a 3.9 SGPA in the 6th semester at the University of Gujrat, building a solid foundation in Core Software Engineering, OOP, and System Documentation. Possesses hands-on technical proficiency in C++, Java, C# (.NET), Python, HTML/CSS, and JavaScript, progressing from core system architecture to interactive web interfaces. Actively focused on research at the intersection of Machine Learning and Software Engineering, applying mathematical formulations, predictive modeling, and state estimation to optimize automated system performance.

Education
